## TILE GLOW ® #1

**TILE GLOW ® #1** is a natural, non-wax compound for the honing and deep cleaning of most unglazed **Ceramic, Porcelain and Quarry Tiles**.

**Title Glow ® #1 does not contain any hazardous acids or solvents. It contains citric acid, a “natural” acid used in food preparation and cosmetics, which gives it an excellent cleaning power.**

To apply **Title Glow ® #1**, you need:

1. **Title Glow ® #1**
2. Floor buffer (175 to 350 RPM). Water tank and splash guard optional.  
**Note:** A heavier buffer will give you a quicker and better honing  
Optimum weight of 140 lbs.
3. Wet vacuum, clean mop, bucket, wringer, floor squeegee
4. Natural hair pad

### Directions

**Note: The tile and baseboards should be stripped of all waxes or sealers and neutralized.**

1. Cover baseboard, carpet, etc., with protective plastic and/or tape.
2. If the grout is very dirty, scrub the grout and tile with our MDR (Mineral Deposit Remover) or TGR (Tile & Grout Restorer) and a scrubbing brush. Wet vacuum and rinse.
3. Wet a 25 Sq. Ft. area of the tile. Place a handful of **Title Glow ® #1** on the wet area (5 oz./25 Sq. Ft.)
4. Buff the **Title Glow ® #1** slurry with a natural hair pad for 10 to 15 minutes per 25 Sq. Ft.
5. Squeegee the **Title Glow ® #1** slurry to the adjacent area and repeat process. Add **Title Glow ® #1** and water as needed.
6. Vacuum-dry the **Title Glow ® #1** mixture. Wet again honed area and buff again with the same pad without adding more **Title Glow ® #1** to remove residue. Adding some MDR or TGR (1 pint per 5 gallons of water) will speed up the rinsing process and further clean the grout.
7. Vacuum-dry thoroughly, damp mop and let dry.

Following the honing with **Title Glow ® #1**, polish the tiles with **Title Glow ® #2**.

**Note: Title Glow ® #1** is available in white, gray or black to suit grout colors.

Technical Specifications: see Material Safety Data Sheet. Store in a dry place.

**Precaution: The use of gloves and protective goggles is recommended when using Title Glow® #1.**

**Warning: Avoid contact with skin, eyes and clothes. In case of contact, flush thoroughly with water and call Physician. Do not swallow. Keep out of children's reach.**

**International Stoneworks, Inc., will not be liable for any damage ensuing to property or injury to operator or any other person due to the misuse or misapplication of Title Glow® #1 or any other chemical sold by them.**
