Buff & Go® *Plus* Granite

A Stoneworks® Product

- Crystallizing Liquid
- Maintainer of Polished Granite
- Buff & Go® *Plus* is applied in conjunction with the Granite Glow® Polishing Compound

To apply Buff & Go® *Plus* Granite you need:

- a. Buff & Go® *Plus* Granite
- b. Granite Glow® polishing compound
- c. Floor buffer (175 to 350 RPM) weighted
- d. Steel wool pads grades 0 & 00
- e. Pump trigger sprayer

Directions:

1. Protect all adjacent areas
2. Thoroughly strip all waxes/sealers with Zoom and neutralize
3. Apply a handful (5 ounces) of Granite Glow® in the middle of a 5'x 5' area
4. Shake Buff & Go® *Plus* Granite well and fill the sprayer with Buff & Go® *Plus* Granite
5. Spray Buff & Go® *Plus* Granite on the same 5'x5' area over the Granite Glow® compound; buff the stone with the buffer equipped with a steel wool pad until the floor is dry and polished
6. Repeat process until the desired gloss is achieved

Note: The Buff & Go® *Plus* Granite / Granite Glow® mixture should be used for the regular maintenance of the traffic areas of granite floors. It is not a restoration system and does not replace the need for using the diamond grinding system on heavily worn granite floors.

Technical Specifications:

Active Ingredient: Magnesium Fluorosilicate

Acid pH 4

For further technical specifications see Safety Data Sheet

Usage:

Usual Maintenance: 1 gallon for 500 to 800 Sq. Ft.

Notes:

Shake the Buff & Go® *Plus* Granite thoroughly before use and intermittently during application.

Close the Buff & Go® *Plus* Granite container tightly to prevent evaporation. Should there be any evaporation, Buff & Go® *Plus* Granite will thicken.

Keep from freezing.

PRECAUTION: The use of gloves and protective clothing is recommended when using Buff & Go® *Plus* Granite and Granite Glow®

WARNING: Avoid contact with skin, eyes, clothes. In case of contact, flush thoroughly with water and call physician. Do not swallow. Keep away from children and pets. See SDS for further information.

International Stoneworks, Inc. will not be liable for any damage ensuing to property or injury to operator or any other person due to the misapplication of Buff & Go ® *Plus* Granite, Granite Glow® or any other chemicals sold by them.
